

## 5 Finger Prayer

Teachers do in class every day, one finger a day starting with the thumb.

Monday: Kids trace hands on paper given to them and write what each finger means.

Thumb: those closest to you (family)

Pointer: those in authority (teachers, pastors,)

Middle: our leaders (government, police, firefighters)

Ring: weak (sick and hurting)

Pinkie: Me

Kids take it home and write on the lines at the bottom (with parent) who they will pray for each finger.
