

The Spiritual discipline for the month of January is “Study God’s Word.” What a great way to start the New Year! A “***Psalms for our Family***” book was sent home today. Psalms are found in the Old Testament. We chose a few of them for our school to study. The children have added their signature to this book, and we hope that your name will be added too. We challenge you to keep this book in a place where your family can read from it throughout this month. You may choose to read just a couple verses or a whole chapter at a time. The purpose of this book is to help your family involve God’s Word in your day so that it becomes a practice in your life.

Also, the children will receive a keychain with a different Bible verse to be added weekly.
