

Emergency Notification Contact (Phone) Information Form

This emergency notification service is provided by SchoolMessenger, a company specializing in school-to-home communications. The service has the flexibility to provide voice, text and email messages based upon the contact information we have on file for your student. There is also an "app" for iPhone and Android mobile devices.

If you wish to participate in receiving text messages from SchoolMessenger, there is an OPTIN process that needs to be completed before text messages can be received. You will receive a text message sent from a short code **67587**, just text **YES** or **OPTIN** to that short code to start receiving texts.

St. Luke Lutheran School will also continue to report school closings due to snow or weather on the local radio & TV stations and also continue to follow the South Butler County School Districts closings, delays, or early dismissals.

Please consider these numbers carefully and make an effort to keep us informed should any of your contact information change for any reason.

I hereby give my permission to be called or texted using automatic dialing equipment to the following numbers provided.
