

MEDIA RELEASE FORM 2020-2021

Throughout the school year, photos and videos are taken documenting various events and activities involving the students. These photos may be used in a variety of media—yearbook, newsletters, website, promotional brochures, newspaper articles, DVDs, television news stories, etc. In today's world, caution must be exercised in the distribution of photos and identities. We take extreme care in providing as much anonymity and confidentiality as is appropriate and practical in publication through any media. The ultimate decision, of course, is yours as a parent/guardian.
